

WeBike Portland *Welcomes you!*

WeBike inspires trans people of all genders, gender non-conforming folx, 2 spirit, and women (both trans and cis) to use biking as a way to meet their transportation needs.

We aim to dismantle the barriers of cycling through rides, knowledge-sharing events, meet and greets, and mentorship.

We usually ride the second Saturday of every month.
Find our events and community online:

WOMXN • TRANS • NON-BINARY • FEMMES • 2-SPIRIT
